

Hockey Seed

Developmental and performance roller hockey education

Roller hockey clinics, camps, individual and specialized instruction for skaters and goalies

Learning to play roller hockey at The Sportsplex is a blast! Great instructors, fast-paced fun, and plenty of great roller hockey education for recreational or travel players.

Though we recommend at least Step 1 for new players, it's up to you how far you want to go. (If you aren't sure where your child fits in, call Cheri at Hockey Seed to set up an evaluation.)

Registration Instructions

Hello, Roller Hockey Parents,

I'm so glad to hear that you're interested in registering your child for a Hockey Seed clinic. We believe in helping each of "our kids" to reach their goals, so we look forward in working with you to help your child develop his or her skills to the fullest potential. And, more importantly, to have fun while working hard at learning to play roller hockey!

To register for a clinic:

1. If your child is new to Hockey Seed, contact Cheri Zubak to discuss which clinic he or she should attend. At this time, Cheri will also inform you of the cost of the clinic (usual range, \$90-120, depending on numbers).
2. Fill in the form on the right side of this page.
3. Return the form with full payment:

Fax: (215) 357-0695
We must receive full payment in the mail or in person by the registration deadline.

Mail: Cheri Lockett Zubak
Hockey Seed
128 South Eastview Avenue
Feasterville, PA 19053 USA

In person: You can usually find Cheri or Walt Zubak at The Sportsplex on Friday nights. If you aren't sure who we are, just ask one of the Sportsplex staff or your team's coach.

You can bring your payment to the first day of the clinic. However, prepayment is the only way to ensure your child's place in the clinic. Since registration for Hockey Seed clinics is limited, we highly recommend that you register in advance.

If you have any questions about the clinics, call Cheri Zubak at (215) 630-5857.

Please note: While we hope to start the next clinic on the following dates, we can only do so if we have commitments from a sufficient number of families.

Winter 2006 clinic schedule
