Dear Sportsplex Friends and Families,

When we think of great educational opportunities for our children, we don't always think of sports. But this fall at The Sportsplex, we are offering just that: a rare opportunity for our young athletes to learn from one of the most respected roller hockey instructors in the United States.

**Peter Dale**, owner/lead instructor of **USA Roller Hockey Clinics**, will be teaching a two-day clinic for league and travel roller hockey players on November 20-21, 2004 at the Sportsplex in Feasterville. A four-time roller hockey world champion and four-time national roller hockey champion, Peter Dale is Director of Roller Hockey at the Powerade Ice Center, a state-of-the-art sports facility located near Milwaukee, Wisconsin. Peter also leads the USARS prospect camps where Team USA selections are made. As a pro roller-hockey player with Team Heavy Metal and the St. Louis Vipers, and as founder of USA Roller Hockey Clinics, Peter is a **nationally recognized instructor** who is known for his enthusiasm as he teaches and motivates.

Peter will teach three four-hour clinics (two hours each on Saturday and Sunday):

- **League** (for house players – if you play in a Sportsplex league, this clinic is for you)
- **Travel** (for tournament players who compete at regional and national roller hockey events)
- **Coaches** of all levels

Both teams and individuals are welcome.

**Enrollment in each clinic is limited. I urge you to register now to make sure your son or daughter is able to attend!** A registration form is enclosed. However, if you misplace the form and are local to Sportsplex, you can pick up a new one at the facility's main office, or you can download forms from the Hockey Seed website:

The Peter Dale clinic is being held in cooperation with **Hockey Seed Developmental and Performance Hockey Education** and **The Sportsplex**. Hockey Seed is a nonprofit organization, headquartered at The Sportsplex, whose purpose is to provide superior skills education for roller hockey athletes of all ages and abilities.

If you have any questions about the Peter Dale Clinic or about Hockey Seed, please feel free to contact me directly. I look forward to talking to you, and to helping your children reach their potential at The Sportsplex.

Best regards,
